MEMORANDUM FOR: Colonel White

THROUGH : Mr. Lloyd

25X1A9a

1. The attached Provisional Clearance Notice is now ready for your signature. Re-write instructions which you gave me were forwarded to Personnel per my memo of 16 June. The new draft was received 7 July. I did not think your objections to the Notice were adequately taken care of and, therefore, took the matter up with Harry Reynolds personally and participated in the final re-write attached hereto. Security concurs with the final proposal. At my suggestion, [REDACTED] was consulted and his concurrence for the DD/I obtained informally; DD/I has interest in provisional clearances for GS-5 and 6 junior professional employees who are to be under the administrative control of Personnel, per the specific request of Security, though DD/I offices may assume responsibility for assignments to unclassified work projects.

2. Recommend signature.
